Dear Parent/Carer

One of the many benefits of being part of Ebor Academy Trust is that Brotherton & Byram Community Primary Academy is part of our “family” of schools, supporting each other to make sure our children are at the heart of everything we do.

It also means staff can progress their careers in a supportive environment in different schools within our trust whilst still maintaining links and continuing professional networks and relationships. This brings welcome new ideas into the classroom.

With this in mind I write to inform you that Miss Towler, Head of School, will be moving to another school in our trust. She will be leaving at the end of this term and starting her new role as Headteacher of Tadcaster Primary Academy after Easter. The trust is developing a focus on literacy in partnership with Just Imagine, a nationally-recognised expert in this area, and Miss Towler will be leading this initiative on behalf of Ebor.

I am delighted to advise you that Mrs Bev Fletcher, currently Headteacher at Camblesforth Community Primary Academy, will be rejoining Brotherton & Byram as Headteacher after the Easter break. Some parents/carers will remember Mrs Fletcher who was Head of School here before Miss Towler.

In addition to her responsibilities at Brotherton & Byram Mrs Fletcher is leading on a trust initiative to develop the curricula across our schools, making sure all our children enjoy a rewarding and fulfilling learning experience.

Mrs Fletcher will be making regular visits to the school between now and when she formally begins her new role and looks forward to meeting parents and carers.

I would like to take this opportunity to thank Miss Towler for her contributions to the school over the last two years, including leading the school through Ofsted last year and successfully maintaining its Good status. We all wish her well in her new role.

Thank you for your continued support of Brotherton & Byram Community Primary Academy.

Yours faithfully

Richard Ludlow  
Chief Executive and Executive Headteacher, Ebor Academy Trust
