ADVENT CALENDAR

We're trying to help families less fortunate than ourselves

If you are able to, please take part in our 'Reverse Advent Calendar' appeal – instead of *receiving* a small gift each day by taking something out, we aim to *give* one by putting something in!

Every weekday we encourage members of our school community to place a donation in a box. On Friday 18 December we'll then take the box to the nearest food bank, to share among people who are facing a tough time at the moment.

This small act of compassion might make a big difference.

If you wanted to, instead of buying items for the appeal, you could always make a Christmas card to help cheer someone up?

It's great if you are able to help. More and more people – regrettably – are relying on food banks and as well as supporting them, we want to raise awareness of food poverty to try and eventually get rid of it.

Sharing your donations each day on social media – using the hashtag #FoodbankAdvent – helps keep the appeal fresh in everyone's minds.

Search for your local food bank online to see what items they are looking for, as this can change on a weekly basis.

Thank you - and Merry Christmas!
