Statement of Intent

At Brotherton and Byram Community Primary Academy we are committed to providing a warm, caring and safe environment for all our children so that they can learn and play in a relaxed and secure environment. As a Restorative School, our ethos of honesty, trust and respect will underpin everything we do in school. We will use our restorative approach to help pupils prevent bullying. Bullying of any kind is unacceptable and will not be tolerated in our school. We take all incidents of bullying seriously. Bullying hurts and no-one deserves to be a victim of bullying. Everybody has the right to be treated with respect and pupils who are bullying others need to learn different ways of behaving. At Brotherton and Byram Community Primary Academy, we acknowledge that bullying does happen from time to time – it would unrealistic to claim that it does not. When bullying does occur, everyone should be able to tell and know that incidents will be dealt with promptly and effectively in accordance with our anti-bullying policy.

Aims and Objectives of this Policy

The aim of this policy is to try and prevent and deal with any behaviour deemed as bullying. The implementation of this policy will create an ethos where bullying is regarded as unacceptable so that a safe and secure environment is created for everyone to learn and work in. All members of the school have a responsibility to recognise bullying when it occurs and take appropriate action in accordance with the school policy. This will happen in the following ways:

- The school will meet the legal requirement for all schools to have an anti-bullying policy in place.
- The school will work closely with other professional agencies to ensure that children stay safe as stated in The Children Act 1989, The SEN and

Disability Act 2001, The Government Green Paper 'Every Child Matters' 2003 (outcome 2) and The Children Act 2004.

- All governors, teaching and non-teaching staff, pupils and parents/guardians will have an understanding of what bullying is.
- All governors, teaching and non-teaching staff will know what the school policy is on bullying and will consistently and swiftly follow it when bullying is reported.
- All pupils and parents/guardians will know what the school policy is on bullying and what they can do if bullying occurs.
- Pupils and parents/guardians will be assured that they will be supported when bullying is reported.
- Whole school initiatives (staff training, celebration assemblies etc) and proactive teaching strategies (PHSE [Personal, Health & Social Education] lessons, circle time etc) will be used throughout the school to reduce the opportunities for bullying to occur.
- A positive, caring ethos will be created within the school environment where everyone can work, play and express themselves, free from the fear of being bullied.

What Is Bullying?

The school has adopted the following collaborative definition of bullying which is our shared understanding of what bullying is:

Bullying is any deliberate, hurtful, upsetting, frightening or threatening behaviour by an individual or a group towards other people. It is repeated over a period of time and it is very difficult for the victims to defend themselves (remember STOP – it happens Several Times on Purpose). Bullying is mean and results in worry, fear, pain and distress to the victim's.

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures), ridicule, humiliation
- Verbal name-calling, sarcasm, spreading rumours, threats, teasing, making rude remarks, making fun of someone
- Physical pushing, kicking, hitting, pinching, throwing stones, biting, spitting, punching or any other forms of violence, taking or hiding someone's things
- Racist racial taunts, graffiti, gestures, making fun of culture and religion
- Sexual unwanted physical contact or sexually abusive or sexist comments
- Homophobic because of/or focussing on the issue of sexuality
- Online/cyber setting up 'hate websites', sending offensive text messages, emails and abusing the victims via their mobile phones
- Any unfavourable or negative comments, gestures or actions made to someone relating to their disability or special educational needs.

Bullying is not:

It is important to understand that bullying is not the odd occasion of falling out with friends, name calling, arguments or when the occasional trick or joke is played on someone. It is bullying if it is done several times on purpose.

Children sometimes fall out or say things because they are upset. When problems of this kind arise it is not classed as bullying. It is an important part of children's development to learn how to deal with friendship breakdowns, the odd name calling or childish prank. We all have to learn how to deal with these situations and develop social skills to repair relationships.

Where does bullying happen?

It can happen anywhere – in the classroom, in the corridor, in the toilets, in the dining hall, in the playground. Bullying may also happen on the way to and

from school. In such cases, the Head teacher is empowered by law to deal with such incidents but must do so in accordance with the school's policy.

At Brotherton and Byram Community Primary Academy, we are concerned with our children's conduct and welfare outside as well as inside school and we will do what we can to address any bullying issues that occur off the school premises. The following steps may be taken:

- Talk to the local Community Police Officer about problems on the streets
- Talk to the Head Teachers of other schools whose children may be involved in bullying off the premises
- Discuss coping strategies with parents
- Talk to the children about how to handle or avoid bullying outside the school premises

Signs and Symptoms

A child may indicate, by different signs or behaviour, that he or she is being bullied.

Adults should be aware of these possible signs and investigate further if a child:

- is frightened of walking to or from school
- begs to be driven to school
- changes their usual routine/route to school
- begins truanting
- becomes withdrawn, anxious or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to under perform in school work

- comes home with clothes torn or books damaged
- has possessions go “missing”
- asks for money or starts stealing money (to pay the bully)
- has unexplained cuts or bruises
- comes home starving (money/snack/sandwiches have been stolen)
- becomes aggressive, disruptive or unreasonable
- starts swearing or using aggressive language for no apparent reason
- is bullying other children or siblings
- stops eating
- is frightened to say what’s wrong
- gives improbable excuses for any of the above

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be taken seriously and investigated as soon as possible.

What can you do if you are being bullied?

Wherever you are in school, you have the right to feel safe. Nobody has the right to make you feel unhappy. If someone is bullying you, it is important to remember that it is not your fault and there are people who can help you.

- Try not to let the bully know that he/she is making you feel upset.
- Try to ignore them.
- Be assertive – stand up to them, look at them directly in the eye, tell them to stop and mean it.
- Stay in a group, bullies usually pick on individuals.
- Get away as quickly as you can.
- Tell someone you can trust – it can be a teacher, a teaching assistant, a midday supervisor, a parent, a friend, a brother, a sister or a relative.
- If you are scared, ask a friend to go with you when you tell someone.

- If you don't feel you can talk to someone about it, write it down and give the note to a teacher or someone you trust to pass it on.
- When you tell an adult about the bullying give them as many facts as you can (What? Who? Where? When? Why? How?).
- Keep a diary of what's been happening and refer to it when you tell someone.
- Keep on speaking out until someone listens and helps you.
- Never be afraid to do something about it and quick.
- Don't suffer in silence.
- Don't blame yourself for what is happening.

What can you do if you see someone else being bullied? (The role of the bystander)

Ignoring bullying is cowardly and unfair to the victim. Staying silent means the bully has won and gives them more power. There are ways you can help without putting yourself in danger. The children have also discussed this question in class and some of the strategies they suggested are listed below:

- Don't smile or laugh at the situation.
- Don't rush over and take the bully on yourself.
- Don't be made to join in.
- If safe to do so, encourage the bully to stop bullying.
- If you can, let the bully know you do not like his or her behaviour.
- Shout for help.
- Let the victim(s) know that you are going to get help.
- Tell a member of staff as soon as you can.
- Try and befriend the person being bullied.
- Encourage the person to talk to someone and get help.
- Ask someone you trust about what to do.
- If you don't feel you can talk to someone about it, write it down and give it to a teacher or someone you trust to pass it on.

- Call a helpline for some advice.

Bullying of children with Special Educational Needs

Brotherton and Byram Community Academy is an inclusive school. We provide a secure, accepting, safe and stimulating environment where everyone is valued for who they are.

We have some children who have learning disabilities and/or communication difficulties. Everyone involved in the school is very aware that these children can be especially vulnerable to bullying and we are therefore particularly vigilant at all times.

High attainers, gifted or talented pupils can also be affected by bullying. Staff will treat this type of bullying as seriously and in the same way as any other type of bullying.

Procedures for reporting and responding to bullying incidents

All staff will respond calmly and consistently to all allegations and incidents of bullying at Brotherton and Byram Community Primary Academy. They will be taken seriously by all staff and dealt with impartially and promptly. All those involved will have the opportunity to be heard. Staff will protect and support all children involved whilst allegations and incidents are investigated and resolved.

The following step-by-step procedure will be used for reporting and responding to bullying allegations or incidents:

- Report all bullying allegations and incidents to staff.
- Staff will make sure the victim(s) is and feels safe.
- Appropriate advice will be given to help the victim(s).
- Staff will listen and speak to all children involved through conflict resolution circles about the incident separately.

- The problem will be identified and children will discuss possible solutions supported by adults.
- Appropriate action will be taken quickly to end the bullying behaviour or threats of bullying.
- Staff will reinforce to the bully that their behaviour is unacceptable.
- The bully (bullies) may be asked to genuinely apologise and consequences for unacceptable behaviour will take place (as per our behaviour policy).
- If possible, the pupils will be reconciled.
- Support will be given by the class teacher and wellbeing team to help the bully (bullies) understand and change his/her/their behaviour.
- All cases of bullying will be reported on CPOMS, the Trust Behaviour and Wellbeing lead will be informed and the Trust incident log updated.
- Parents will be informed and will be invited to come into school for a meeting to discuss the problem.
- After the incident has been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.
- Bullying incidents will be discussed regularly at staff meetings.
- Governors will be informed of serious bullying incidents.
- The DSL will always be informed of any cases of bullying, however serious.
- In serious cases of bullying, children may be excluded if this is deemed the most appropriate action by the Headteacher.

Prevention

As a Restorative School, our ethos of honesty, trust and respect will underpin everything we do in school. We will use our restorative approach to help pupils prevent bullying. This includes:

- Conflict resolution circles when children fall out to prevent unkind behaviour continuing and turning into bullying behaviour

- Check ins every morning
- Whole class and small group solution circles addressing issues arising, including friendship fallouts and disrespectful behaviour on a daily basis
- Weekly whole class PSHE and Restorative circles led by our wellbeing team.
- Children setting class charters
- Restorative champions
- Home/School Agreement
- Specific anti-bullying week planned and delivered
- Respecting all our differences

Monitoring and evaluation of the policy

To ensure this policy is effective, it will be regularly monitored and evaluated.

Questionnaires completed by the whole school community, together with surveys, focus groups, children's and parents'/guardians' comments.

'Growing up in North Yorkshire' child questionnaires will also be completed by children in Key Stage 2 each year.
